

Eco Wash Neutral

Environmentally labelled general cleaner

Fields of application

Eco Wash Neutral is a mild universal general cleaner with a lower pH and effective cleaning power, designed for demanding cleaning jobs. Especially recommended for general indoors cleaning of floors, walls, ceilings etc.

Is also perfect for general inside cleaning of Train, Metro, Tram, T-bane and Bus (on all water-resistant surfaces). Leaves a fresh fragrance.

Advantages

- Concentrated, highly effective and economical.
- Environmentally approved/labelled.

Application instructions

Eco Wash Neutral is highly concentrated and should be diluted in water depending on the degree of soiling and temperature. Use with a mop for best results on floors.

Dosage

Dilute 2-20% with water depending on degree of soiling.

Packaging

1 litre bottle - 5 litre container - 25 litre container - 200 litre barrel
