# PRODUCTS WITH NORDIC SWAN ECOLABEL

## Eco Brush Foam

The product is designed for use in car washes. Gives a rich foam on the car in automatic and self-service systems. Foam via brush or foam curtain.

483005 – 5L  
483025 – 25L

## Eco Degreaser

Aroma-free tar remover with low VOC and low odor. Dissolves oil, tar, asphalt, road salt etc.

466025 – 25L  
466200 – 200L  
466700 – 1000L

## Eco Degreaser Quick

Petroleum based tar remover without emulsifier, for degreasing of vehicles. Works on both dry and wet surfaces. Dissolves oil, tar and asphalt, while being gentle. Extremely fast separating. Aromafree tar remover. Works great as a degreasing agent / prewash in automatic washing / manual washing plants.

467025 – 25L  
467200 – 200L

## Eco Shine 'n Dry

Rinsing and drying agents for car, bus, truck and train washing plants. Used in automatic washes and GDS washes. Provides a dry and water-repellent surface.

259006 – 5L  
259026 – 25L  
259201 – 200L

## Eco Ultra Shine

Used as regular shampoo, giving a water repellent effect for up to 4 weeks. Premium Shampoo. The product also works great as a brush cleaner in automated brush washing facilities.

506005 – 5L  
506025 – 25L  
506200 – 200L

## Eco Wash Color

Phosphate- and zeolite-free detergent. Suitable for color and whitewashing of most textile materials, also for cleaning textiles with microfiber. Effectively washes away dirt stains at all temperatures (30-60 ° C, microfiber material 60-95 ° C). Bleaching effect is achieved when washing above 60 ° C. The product is fragrance free.

243010 – 10KG

## Eco Wash Green

Eco Wash Green is used to clean surfaces such as trains, metros, trams, buses, cars, boats, trucks, agricultural machinery, road machinery, and transport containers.

9801001 – 5L  
9801002 – 25L  
9801003 – 200L  
9801005 – 600L  
9801004 – 1000L

## Eco Wash Neutral

Eco Wash Neutral is a mild universal general cleaner, designed for exterior and interior washing of car, bus, caravan, truck, train and canopy. Is also perfect for general inside cleaning of Train, Metro, Tram, and T-bane (on all water-resistant surfaces).

423005 – 5L

## Eco Wash Premium

Used to clean trains, metro, trucks, forklifts, hoods, containers, tractors, agricultural equipment, diggers and road-building equipment etc. It is also ideal for cleaning after fire damage as it removes soot excellently.

426005 – 5L  
426025 – 25L  
426200 – 200L  
426700 – 1000L

## Eco Wash Yellow

Used to clean trains, metro, trucks, forklifts, hoods, containers, tractors, agricultural equipment, diggers and road building equipment etc.

422025 – 25L  
422200 – 200L

## Eco Micro Veg

Water-dilutable bio-based eco-labelled petroleum-free micro-degreasing for surfaces on cars, trucks, trains, metros, trams, buses.

032025 – 25L  
032200 – 200L

## Train Wash Oxal

Cleaning agent with low pH for train carriages, locomotives, trams and metro trains, trucks and other vehicles. Train Wash Oxal is a water-based cleaning agent which effectively loosens brake dust and dirt (iron oxide). Can also be used on transport containers, components, rust, etc.

This product is based on oxalic acid.

457025 – 25L  
457200 – 200L  
457600 – 600L  
457700 – 1000L

## WC Cleaner

Spray on surface and allow to work for some minutes then use a brush or similar and rinse with water.

262002 – 750 ML

## Experts in cleaning agents for the professional market

We have one of the market's widest product ranges – and with many years of experience in both development, production and sales of effective cleaning products – which we sell to the European market. The head office is in Sweden, with sales offices in Denmark and Norway as well as an extensive network of dealers.

## Philosophy

Blue & Green aims to deliver products of the highest quality at the right price - with the least possible environmental impact. We have a great focus on the environmental impact when we develop and produce our product range. It is important to us that our products are efficient in our customers application with the least environmental impact.

That is why we have several different environmental labels on a large part of our products and that we are ISO certified. At the same time we are connected to the Swedish circular packaging system, as we think it is crucial to recycle our packaging so that our products impact to the environment has as little impact as possible.
