TRANSPORT – INTERIOR

Alkalisk Wash Citrus

Used to clean most surfaces such as all types of facades, boats, cars, campers and trailers, trucks, machinery, floors, walls, roofs etc. This product dissolves general dirt, soot, algae, oil, grease, exhaust emissions, insects etc.

Allrent Eco

Allrent Eco is an all-round product for all cleaning jobs. For all washable surfaces including sensitive textiles/fabrics. Ideal for polish treated floors and as textile cleaner.

Chewing Gum Remover

Chewing Gum Remover is used to remove chewing gum residues on hard and soft colorfast surfaces.

Eco Wash Green

Used to wash surfaces such as trains, metros, trams, busses, personal vehicles, boats, trucks and transportcontainers.

Eco Wash Neutral

Eco Wash Neutral is a mild universal general cleaner, designed for exterior and interior washing of car, bus, caravan, truck, train and canopy. Is also perfect for general inside cleaning of Train, Metro, Tram, and T-bane (on all water-resistant surfaces).

Eco Wash Yellow

Used to clean trains, metro, trucks, forklifts, hoods, transportcontainers, cars and buses.

Glue Remover

Used to remove glue residue from decals, glue in production, floor glue etc. The product can be used on all hard, fadeless surfaces. Also removes heel marks and other streaks caused by rubber.

Glass Cleaner Blue

Cleans windows, mirrors, tiles, TV screens, vehicle windscreens etc. quickly and effectively. Removes traffic grime and insects as well as general dirt.

Interior Clean

Cleaner for most materials in the car, plastic, rubber, textiles and glass

Odour Killer

Eliminates and neutralizes quickly and effectively a wide range of odorous substances in a natural way.

The product provides effective and long-lasting odor control. Areas of use are e.g. garbage stations/garbage rooms, carpets, toilets, exercise facilities, areas for pets. The product has outstanding performance on urine. The product does not hide the odor, but attacks and eliminates the source of it.

Stainless Steel Cleaner

Effective water-based cleaner for stainless steel, chrome, laminated plastic and aluminum surfaces. Cleans, restores and protects the surface so that it better resists fingerprints and stains.

Stain Remover

Use to remove stains on textile materials. Dissolves stains caused by coffee, wine, fruit, ice cream, chocolate, oil etc.

Shine Dressing

Water based shine agent to restore gloss to plastic & rubber surfaces. Refresh plastic moldings and tires.

WC Cleaner

Spray on surface and allow to work for some minutes then use a brush or similar and rinse with water.

Experts in cleaning agents for the professional market

We have one of the market's widest product ranges – and with many years of experience in both development, production and sales of effective cleaning products – which we sell to the European market. The head office is in Sweden, with sales offices in Denmark and Norway as well as an extensive network of dealers.

Philosophy

Blue & Green aims to deliver products of the highest quality at the right price - with the least possible environmental impact. We have a great focus on the environmental impact when we develop and produce our product range. It is important to us that our products are efficient in our customers application with the least environmental impact.

That is why we have several different environmental labels on a large part of our products and that we are ISO certified. At the same time we are connected to the Swedish circular packaging system, as we think it is crucial to recycle our packaging so that our products impact to the environment has as little impact as possible.
